

Are you anticipating a delivery and in need of an extra lift for the day? Is your equipment undergoing maintenance, requiring a temporary replacement for a week? Perhaps a busy season that you could benefit from an extra helping hand? Rest assured, we also provide long-term rentals to fulfill all your job requirement needs.

Our commitment to excellent customer service sets us apart, ensuring that your rental experience is smooth, efficient, and hassle-free. With our large fleet of heavy machinery, including various forklift capacities, the impressive JCB Teleskid, and the reliable Toyota Electric Pallet Jack, we have the equipment you need to tackle any project.

Don't settle for anything less than the best. Schedule your rental with Norlift today and discover the difference our top-notch service and high-quality machinery can make for your business.
